

Thank you for your interest in the Santa Clara Unified Adult Education program. We look forward to supporting you on your academic journey.

At this time, our roster for the high school diploma program is full, and we will not be accepting any new students this school year (2021-2022). If you would like to get started right away, instead of waiting until August when we will be accepting new students, you can contact the adult education schools listed below. They may have openings.

If you would prefer to wait until August, please complete the required reading assessment (information below). We require that students take and pass a reading assessment at the 7th grade level of 80% or higher.

- Complete the Read Theory Assessment by clicking [here](#): Please notify me once you have reached and passed the 7th-grade reading level. Levels are indicated under the essay title.
 - Class Code: VGT6BMZX

All schools will require an official transcript from your previous high school. Regardless of which school you choose, we suggest that you order your transcript by contacting your last attended high school, and requesting that an official transcript is mailed directly to you. Do not open the transcript because once the seal is broken from the envelope, it is no longer considered official.

In the beginning of August, when our program resumes, our counselor, Katie Bennett will contact you to see if you are still interested in earning your high school diploma through the Santa Clara Unified School District's Adult Education program.

Have a wonderful summer!
